VILLAGE GREEN SEC 15, SARASOTA, FL

Welcome to Village Green! Here is the opportunity you have been waiting for in this attractive 55+ community. This lovely 2BR/2BA villa is ready for your immediate enjoyment. It would make a perfect winter retreat from the chilly northern winters or also works well as a full time residence with over 1500 sq. feet of living space. It has been lovingly maintained by the current owner and is in pristine condition. Although updating is needed you could easily move in and live quite comfortably as is. The Living Room/Great Room is large enough to divide into two to be used as a formal conversation area while using the other half as a media zone which allows plenty of wall space for your big screen TV. One wall in the living room has a built in cabinet and shelves perfect for books and collectibles. The single car garage and inside utility room are pluses. The laundry room has great storage cabinets. An open air patio and a screened lanai offers two types of outdoor living. The patio is perfect for grilling. The price of the villa is reflective of the updating needed. The eat in kitchen is great for those quick meals. No need to worry about landscaping, pool facilities, or exterior painting of your villa as it is all included in the reasonable maintenance fee. Also included are cable television and exterior building insurance. This villa overlooks a park like setting with one of the best views in the community. It even has it's own walking trail for exercise and the heated pool is a bonus

and allows for year round swimming. Screened lanai is perfect for outdoor relaxing. According to county records roof was replaced in 2009 and the A/C replaced in 2023! A very small association of only 40 units with strong management. For the bike lovers Sarasota County has extended the Legacy Bike trail which will be accessible less than a mile away and is now open. Village Green is a neighborhood that encompasses all of your needs within a 8 mile radius! Here's proof: 3 miles from Doctors Hospital and 4 miles from Sarasota Memorial Hospital and only 2 miles from medical groups to meet your health needs. For your recreational needs the villa is within 1 mile of 2 golf courses and 8 miles to the world famous Siesta Key beach. Within a 2 mile zone you will find numerous stores and restaurants such as Publix and The Parrot as well as many other shopping opportunities. Only a 5 mile drive to the vibrant downtown area with its many fine performing arts venues as well as a wide selection of restaurants to satisfy all of your cravings. All of these attractions are an easy 5-20 minute drive including access to I-75 and the airport. Truly a community in the heart of Sarasota.
